

Want to keep the Makerspace **fun** and **learning** going all summer?

In September we will be having our first ever
Summit Back to School Maker Faire.

Over the summer, students are encouraged to design and create at home. Families can post updates on their progress, or pictures/videos of their projects to the Summit Makerspace Facebook Page: <https://www.facebook.com/summakerspace>

Those who would like to may bring in their projects when they come to Back to School Night on **August 26th** or on the **first day of school** to be displayed.

More information and project ideas can be found on the Summit Makerspace webpage: <https://goo.gl/KZHMga>

Or Email Mrs. Harrop: harropw@oasd.org
